Carlie Willett received her B.F.A. in Printmaking from Indiana University in 2007. Her work is influenced by the history and nostalgia surrounding military life, culture, and propaganda. She is inspired by both the personal accounts of military veterans, and correspondence from friends currently serving. Carlie would like to thank all Military Veterans and those on active duty for their courage and dedication.

GROUNDS FOR ART intends to offer local artists an opportunity to showcase their work for the public. Look for a new featured artists monthly, come to the reception to meet the artist, enjoy the art, and experience your neighborhood Java House in a new way!
