FRIDAY APRIL 29TH

THE AFTER SCHOOL SPECIALS

The band is comprised of children, grades 2-6 who all attend Shimek Elementary BASP. The program provides a safe and creative after school atmosphere for children who attend Shimek. During the week, staff members, Matt Larson, Claire Thoele and Emily Frerichs, meet with these

students for rehearsal and sectionals. Because of the tremendous fun of during the first performance two years ago, they decided to recreate the experience as a full year project. With encouragement from their parents and peers, The After School Specials have slowly built up their repertoire and stage act since returning to school in fall of '08. Besides jamming at the Java House, the band will be performing at such local venues as UAY and will make an appearance at this year's Arts Fest.

PERFORMANCE BEGINS AT 10PM
